

PERSONNEL COMMITTEE REPORT

February 2014

Employment Milestone

The City of West Lafayette would like to express its appreciation to Jason Timmons, Assistant Communications Center Supervisor with the Police Department, for having completed his 10th year of dedicated service to the City on February 21. Thank you for your ongoing commitment and dedication.

Health Promotion Committee

With heart disease being the leading cause of death for both men and women, the Health Promotion Committee dedicated February to the promotion of *American Heart Month*. The February **WeL**ness Newsletter provided heart attack and stroke information, promoted activities such as wearing red and bringing in heart-healthy snacks to share with co-workers on Fridays, free admission and skate rental to the Riverside Skating Center, and free exercise classes offered at Morton.
